# **REPORTS**

#### REPORT OF THE BOARD OF MISSIONS

We, your Board of Missions, submit to you the following report:

We feel confident that you will be glad to know that during the past three years, by economy and careful management, your Board has been able to pay the debt that faced us at the beginning of the Quadrennium. So that the new Board will enter upon the coming quadrennium free of debt and better prepared to meet the great hour and large tasks which have, in the providence of God, come to us.

#### Mission Charges

It has been gratifying to your Board that some of the mission charges of our conference have said to us that they have come to the place of self support and will no longer look to us for financial aid. It is the policy of your Board to assist the mission charges to the extent of its ability, yet it feels and would urge that every charge receiving help from the Mission Board, become self supporting as soon as possible.

We have had before us the report of the General Board of Missions and note with interest that during the year 1917 the income was an increase of \$258,172 over the year 1916, which was not only their largest income but was also their largest increase.

We also noted that the debt on the General Board has been met, so that it can go forward to larger things.

#### Centenary Movement

This Conference, as well as your Board, has been greatly stirred and aroused with the prospects and responsibilities facing us as we enter upon the plans and preparations for the celebration of the Centenary of American Missions.

The present Board, and the Board elected for the coming quadrennium have pledged their full co-operation to the General Board in carrying to a successful conclusion the objectives before our church in this great Centenary movement.

This Conference, on Thursday evening by unanimous vote, committed itself along with the Board to this great task by assuming our share, \$795,533.70 of 35 million. A task worthy of the church's ability and one that challenges her courage and demands her full strength.

#### New Financial Plan

The last General Conference adopted a new financial plan to be car-

ried out during the Centenary Drive. All the assessments are to be combined in two budgets.

- 1. One budget includes all connectional objects or causes.
- 2. The other includes all annual objects or causes.

The budgets are to be divided on a percentage basis between the causes represented.

We need to keep in mind that the conference missions and the home missions cannot be combined in one collection; this is also true of foreign missions and conference missions.

Under the new law the two budgets, general and conference, must be taken separately either at different times or as separate claims. The reason for this is that they are assessed by separate Commissions, or under separate jurisdiction divided on a separate basis and go to separate treasurers. It will also be well to keep in mind that local authorities do not make the distribution of the funds but this is done by the conference treasurer on a fixed percentage basis. Thus all moneys raised must be forwarded to the conference teller indicating to him whether they are for the annual conference budget or for the general conference budget.

## Specials

Under the new law no special emphasis can be given to any single assessment. They must all share alike without reference to their impertance or to the interest and desires of the contributors.

This leaves open only one way to generate or maintain special missionary interest and liberalities, and that is by missionary specials. By this means alone can we appeal to the interest and liberalities of our people or provide for the expression of such interest. Under the new arrangement there is no way by which a special can count on the assessment. It will be apart from and above the budget offering. Thus every special becomes a direct and specific offering to missions.

We would express our appreciation of the presence of Dr. W. B. Beauchamp and his coworkers who by their council and leadership have given impetus to the Centenary Campaign in our conference.

#### Recommendation

Your Board recommends the appointment of Bro. C. C. Grimes as conference missionary secretary who shall give his whole time to the work.

C. C. GRIMES, PresidentJ. N. BOYD, Secretary.

## REPORT OF BOARD OF CHURCH EXTENSION

Your Board rejoices in the fact that the progress made by the Board of Church Extension during the past four years was greater than in any previous quadrennium in the history of the church, the total income amounted to \$2,335,144.10, being an increase of \$563,919.24 over the record of the previous quadrennium. For this gratifying showing the church is under God, largely indebted to the splendid leadership of the retiring secretary, the newly elected Bishop W. F. McMurry.

The Loan Fund capital is now \$1,106,326.14. This is a considerable sum, but altogether inadequate to the growing demands of a great church. The General Conference has ordered this sum increased by \$1,140,000 and the growth of the church makes this demand peremptory.

The Loan Fund department offers a very attractive investment feature which we commend to our people. The Board is prepared to accept any sum on deposit and pay annuity interest ranging from 5% to 9%, according to the expectancy of the annuitant.

The Loan Fund capital of your Conference Board at this time is \$3,082.31. The Sunday School Loan Fund was remembered in the Missouri Conference last year by six schools who contributed a total of \$50.88.

Attention is called to the Architectural Department of the Board, and our people contemplating building are urged to get in communication with it.

We would pledge the newly elected secretary, Dr. H. A. Boaz, our unstinted support in making the next quadrennium the best in all the history of the church.

Your Board has transferred to the Loan Fund Capital \$300 and made the following grants:—

#### REPORT OF BOARD OF EDUCATION

Your Conference Board of Education submits the following report:

It gives us great pleasure to report that nearly eight hundred dollars more was paid on the assessment on education the past year than the year preceding. But while this is commendable, we yet lack about \$1,300 of paying our assessment of \$7,000 in full.

#### Our Schools

Representatives of our church schools were before the Board. In the matter of both attendance and finances the reports were very gratifying.

With a full consciousness of the situation brought upon them by the war, our college managements are bending every energy to serve the church and the country in the best possible way.

The only special enterprise proposed for any of our colleges during the year is the celebration of the Semi-Centennial of Central College for Women. Dr. Z. M. Williams, the president, invites the cooperation of the conference in making this a signal event in the history of the institution. It is recommended that the following pastors and laymen be elected to represent our conference officially in this celebration: J. N. Boyd, A. C. Smith, J. W. Kimbrell, W. T. Osborn, J. M. Bone, Dr. C. W. Reagen, C. C. Grimes, J. N. Dutton, W. O. G. Potter, A. R. Alexander, V. O, White, A. S. Strother, J. F. Caskey, W. L. Utz, R. H. Cooper, J. A. Stewart, Dr. J J. Bourn, and T. A. Allison.

## Central College-

- J. M. Hammett for a term of four years.
- B. D. Sipple for a term of four years.

# Central College for Women--

Dr. C. S. Austin for a term of three years. Geo. Pohlman for a term of three years.

#### Howard-Payne College-

- C. O. Ransford for a term of four years.
- C. W. Tadlock for a term of four years.
- A. A. Kuhne for a term of four years.
- H. E. Stout for a term of four years.
- J. B. Swinney for a term of two years.

#### Preachers' Institute

Believing that the Preachers' Institute is of priceless value to the preachers in our conference, we recommend the appropriation of \$300 of the funds of this Board for its support. We also ask that S. W. Hayne, Dr. J. F. Caskey, and B. D. Sipple be elected an institute committee for a term of four years.

#### Student Work at Columbia

Because of the large number of Methodist young people among the students at the University of Missouri, we feel that our conference should give

its best support to the work done in their behalf. We therefore recommend that \$500 be appropriated for this work from the funds of this Board. We ask that Dr. F. F. Stephens and Rev. C. C. Grimes be elected as commissioners in charge of this work for a term of four years.

## **Appointments**

We recommend the appointment of the following men to schools:

Dr. Paul H. Linn to the presidency of Central College; Rev. H. E. Stout to the presidency of Howard-Payne College; A. C. Zumbrunnen, student at Chicago University; J. J. Copeland, student Northwestern University; L. E. Murphy, and R. S. Tomlin, students Northwestern University; F. C. Tucker and P. P. Taylor, students Yale University.

We recommend the appointment of B. D. Sipple as conference Secretary of Education.

# REPORT OF THE BOARD OF MINISTERIAL EDUCATION

The Ministerial Loan Fund was established by the Missouri Annual Conference in 1875. The following charter members and contributors to this enterprise are still living: E. R. Hendrix, John Anderson, J. A. Mumpower, D. F. Bone, D. R. Shackelford, R. H. Cooper, and S. P. Emmons.

Little has been added to this fund since 1900. Since that time a small rate of interest has been required to offset losses by death and disability, and to enlarge the fund for greater usefulness. Your Boards have tried to use the trust committed to them, not as a money making enterprise, but to aid in producing a more efficient ministry. The large majority of ministerial students in Central College are from homes of limited circumstances. This fund should be constantly added to by laymen and preachers, who have been blessed by the accumulation of wealth. Necessarily there are men who will find it difficult, under certain conditions to return loans promptly. There will be losses sustained by death and affliction. Your Board would appeal to men and women who desire a trained ministry for the present and future need of the church to place at the command of the Missouri Annual Conference a fund sufficient to meet the needs of this important arm of the church. Collections have not been so large this year. The secretary has made an effort to collect the notes of long standing with encouraging results. Ten beneficiaries have paid all or a part of their obligations to the fund, and five men have received aid by loans in Central College during the year.

#### REPORT OF THE SUNDAY SCHOOL BOARD

The Sunday School Board begs leave to make the following report:

- 1. The Sunday school work of the quadrennium now closing is one of marked progress, and the action of the late General Conference has very greatly amplified its opportunities and increased its resources. The association and counsel of Dr. C. D. Bulla through three Annual Conferences has encouraged and aided the local work in a marked degree. Many of the most apparent difficulties have been seen to yield to the patient efforts of the Conference Board, and this Conference has expressed a measure of sympathy and co-operation with the Sunday school work that is unusual in extent and for which we offer our appreciative thanks to Bishop Murrah and the members of the Conference.
- 2. We note with favor the change of its name of Children's Day to that of Sunday School Day, and trust its observance and usefulness will be extended relatively to the extension of its purpose and meaning.
- 3. Again we are gratified that the General Conference has discontinued, for the time, the Divisional Field Secretaries and placed the emphasis more forcefully local, and in compliance with which we respectfully request Bishop Murrah to appoint the Rev. G. A. Shadwick Sunday School Field Secretary of the Missouri Conference for the ensuing year.

# REPORT OF THE EPWORTH LEAGUE BOARD

Your Board submits the following report:

The steady and marked progress in this invaluable branch of the church work certainly gives just cause for gratification and satisfaction. There is no more useful organization of the church; it is the training school for our future leaders in all departments of the church's life.

The pastors' reports indicate there are in existence at present 131 Leagues and 4,621 Members in the Missouri Conference and these have raised for the following causes amounts as follows:

| African Special        | \$1,316.00 |
|------------------------|------------|
| Anniversary Day        |            |
| Other Objects          |            |
| Conference Assessments | 337.00     |
|                        |            |
| Total                  | 84 679 00  |

"The statistical reports to the Annual Conferences last autumn show a loss, giving the total number of Chapters at 3,795 and of Members as 131,416 is a disappointment tempered by the fact that the "Big Drive" membership Campaign resulted in the organization of above 500 new chapters that do not appear in the statistics, and also a corresponding invigoration of the League throughout the church. In some of the larger cities notable

success has been achieved in organizing. But it is certain that we should renew our efforts to increase the number of Leagues in the rural and village churches.

"The recent General Conference strengthened the Epworth League Board, fixing the Second Sunday in May as Anniversary Day, thus making the natal day of the League a permanent feature of the church calendar, increasing also the importance and duties of the Conference League Boards, slightly modifying the method of handling the Anniversary Day Offerings; provided by law for the support of the Epworth League Conference, and, with the new financial system by which all the general and conference interests are to be cared for and giving the Epworth Leagues better support than it ever had.

"Efforts correlative with the Woman's Missionary Council having proved futile, the Missionary work of the League is now auxiliary only to the general work of the Board.

"The new edition of the Discipline will indicate to the incoming Conference Board the changes in the law by which their duties and organizations have been modified.

"A new ruling has been made so that all new Leagues may register and receive the Charter from the Central Office free of charge.

"Last year the General League scored its highest records for Missionary contributions, giving for Specials \$34,122.00 and for the Assessments \$9,717.00, a total of \$43,839.00.

"For the quadrennium the contributions of the Leagues for missions and other purposes amounted to \$438,636.58.

"The Epworth Era continues to enjoy a large circulation, and last year despite the increased cost of production, after paying the entire expenses of manufacture and mailing and the salaries of the editor and his assistant, showed a deficit of only \$750.00.

"With the adequate financial support that the Epworth League will receive through the operation of the new financial plan adopted by the General Conference which will become available in 1919, it will be possible for the General Board to put three specialists in the field for the extension and guidance of the League work.

"From this step we should derive great gains in both efficiency and membership. Relieved of the necessity of supporting the department by a direct contribution, the local chapters should now be able to concentrate upon the larger program of the church without the diverting influence of an obligation that had come to be regarded a special tax."

The attention of our Conference should also be called to the following words of our General Secretary, Dr. F. S. Parker:

"Failure on the part of shepherds of Christ's flock to provide for their young converts just what the Epworth League gives has resulted in fearful losses to the church. At least one-half of those received into the church on profession of faith during the past ten years have lapsed and gone back to the world. There is call for immediate and powerful awakening upon the need of conserving the results of our revivals and Sunday School Decision Days. It certainly cannot be said that the Epworth League has been fairly tried so long as its membership numbers not over seven per cent of the membership of the church. In 1906 our bishops said of the Epworth League: "The organization harmonizes with every detail of our economy. It is, in fact, a part and parcel of the church, a means set for the spiritual salvation and training of our young people and as a protection against the perils and temptations which beset their social and intellectual lives. There has not been before devised in our church anything which fills the place meant to be filled by the Epworth League."

We, your Board, recommend the consideration by every pastor and League, the work of the District Organization and particularly the advantages to be gained by having the help of the Field Secretaries who will be at the service of the various churches without Leagues desiring to organize and those that are weak and need help.

We recommend that the Epworth Leagues of the Missouri Annual Conference continue their interest in and responsibility to the State Conference of the organizations held annually at Pertle Springs. That this annual League Conference at Pertle shall also be presided over by some leader among the laymen of our territory included in the two patronizing Conferences.

In view of the fact that there is a general movement among some of the districts to support, each of them, a missionary in Africa, we would commend those already so decided and urge upon all the districts in this Conference to do so if possible.

We call attention to the Epworth Era as the organ of the League for the promotion of its interests and affording helpful literature for those of the members, and urge that the requirements of the Standard of Efficiency of the organization be realized in this point in at least 25% of the members subscribing for it.

We would respectfully request that "Fellowship Week," the week preceding Easter, be observed by every Chapter.

We desire also to commend the Mission Study Class as an unusual aid

to the interest of the Leaguers in the various departments of work indicated and fields of inquiry and study covered by these books.

We urge the organization wherever possible of the various branches of league work such as, Knights of Ezelah and Girls of Epworth and Junior Leagues, so that every child in the church circle shall be enlisted in this training school of the church in some one of these departments.

We recommend the inclusion in the budget of finance of the conference, the sum of \$750 for the State Conference organization.

We are in hearty accord with the purpose of the church in the Centenary celebration of Methodist Missions and pledge our hearty co-operation and support of all the plans laid for us in the Epworth League departments.

We desire to express our appreciation for the generous cooperation of the St. Louis Christian Advocate in promoting our work in giving so much space therein for the notes, comments, and various reports of endeavor throughout the bounds of the conference.

We rejoice in the results attained by the recent Pertle Springs Conference—in the number attending, the interest shown, in the large number of volunteers for missionary work, in the excellent program, the large pledges received for the ensuing year's work, and the election of such a capable and consecrated coterie of officers led by Rev. H. U. Campbell of Institutional Church, Kansas City, as president.

We recommend the observance of the annual conference order that the missionary money be sent to the conference teller, J. A. Medley, Plattsburg. Mo., and all other offerings to be sent to W. J. Patterson, Treasurer, McCredie, Mo.

Respectfully submitted,

E. Y. GINN, President.

W. B. CORDER, Secretary.

#### REPORT OF BOARD ON PUBLICATION

Dear Brethren:

We, your Board on Publication, beg leave to submit the following report:

We cannot hope to succeed in the great undertakings now contemplated unless we greatly increase the circulation of religious literature among our people.

The report of the Book Agents, Messrs. Smith and Lamar was before us and notwithstanding the abnormal conditions occasioned by the war, shows a net increase in profit. For the fiscal year The Nashville Advocate, Methodist Review, and Epworth Era are still published at a loss to the agents; and only increased circulation will wipe out this loss.

We commend these high class publications to our preachers and people and trust that we may give them the support they merit. We believe that our church is receiving as high class publications as any church in the country and they deserve the loyal support of all. A definite program for increasing the circulation of religious literature will be inaugurated by the new board.

We wish to thank Dr. Arthur Mather for his faithful and unselfish work in connection with the management of the St. Louis Christian Advocate.

The report of the St. Louis Christian Advocate Commission was presented to us and was adopted as report No. 2 of this board.

We recommend that John F. Caskey, M. E. Lawson, and Mrs. Turner McBain be elected trustees of the St. Louis Christian Advocate corporation, for this conference.

C. L. HESS, President.
JOHN F. CASKEY, Secretary.

#### Board on Publication Report No. 2

Dear Brethren:

To the President and Members of the Missouri Annual Conference.

We, the Editorial Committee of the St. Louis Christian Advocate, beg to submit to you the report of the acting Editor and Business Manager, which is hereto attached.

For the continuance and management of the Advocate, we recommend:

- 1. That the three Annual Conferences of Missouri incorporate a Publishing Co. and this Conference elect, at this session, as Trustees, one minister, one layman, and one laywoman, to act with like trustees from the Southwest Missouri Conference and the St. Louis Conference in securing the instruments of incorporation.
- 2. That these Trustees, constituting the corporation, shall be Board of Managers for the Publishing Co. and they shall elect the Editor and, on behalf of the Conference, control the policy and business management of the paper. Said Trustees to hold office continuously, all vacancies to be filled by the respective annual conference from which vacancy occurs.

- 3. That the present Trustees, appointed under the will of Dr. W. B. Palmore, seek to place the ownership and control of the Advocate in the hands of the Corporation above mentioned, taking such legal steps as are necessary thereto.
- 4. #### REPORT OF AMERICAN BIBLE SOCIETY BOARD

To the Bishop and Members of the Missouri Annual Conference. Dear Brethren:

We, your American Bible Society Board, beg to report as follows:

The Board notes with gratification the increased interest and effectiveness on the part of our Methodists of the Missouri Conference in the great work of the American Bible Society manifest in the reports of this past year.

We have not been able to gather the data of the collections from the several charges, but we give the collection by district as follows:

Total for Conference .....\$650.36

This amount gives us an increase over the collections of last year of about 41%, and a total of \$184.00. This should elicit our gratitude and strengthen our determination to continue our efforts. The work of the American Bible Society is of the greatest importance and we should have in mind that every dollar cast into its treasury will certainly be as "bread cast upon the waters," which will return to us, "not many days hence."

And we call again the attention of the Presiding Elders and the Preachers in charge to the decision of the Conference, to collect one-half of one per cent of the pastor's salary, for this cause, and would furthermore urge that this be done.

W. D. KING, President,M. L. SHEMWELL, Secretary.

# REPORT OF DISTRICT CONFERENCE RECORDS

To the Bishop and Members of the Missouri Conference: Dear Brethren:

We, your committee on District Conference Records, beg leave to report as follows:

The records of the Chillicothe, Fayette, Hannibal, Mexico, Richmond, St. Charles, and St. Joseph Districts are all neatly kept and are complete in every detail.

The Gallatin record is very neat but no official roll appears in it for the year 1917-1918.

The record of the Macon District was not before the committee.

Respectfully submitted,

M. A. WEST, Chairman. C. L. DORRIS, Secretary.

#### REPORT ON TEMPERANCE

It is with grateful hearts to our heavenly Father, that we, your Committee on Temperance, present our report:

The cause of prohibition has reached the high water mark, and there is no sign of the abating of waters; on the contrary, prohibition sentiment is covering the land, as the water covers the sea.

1. We are gratified that the Congress of the United States, December last, passed the resolution for national constitutional prohibition, and that to date the same has been ratified by fourteen states and we feel sure that the necessary three-fourths majority of states will have ratified the same by March of next year. Temperance leaders believe that at last forty-one, and probably forty-four, will ratify this amendment.

Whereas there is being waged an intensive war against the liquor traffic in our state and nation with the purpose of securing war-time prohibition; state-wide prohibition; and the ratification of the constitutional amendment providing for nation wide prohibition, and

Whereas the temperance forces of Missouri have united to promote efficiency, to eliminate duplicating efforts, and to save expense in the fight against the saloon, under the name of the Citizens' Dry Alliance and,

Whereas the Citizens' Dry Alliance of Missouri has delegated to the Woman's Christian Temperance Union the task of organizing the women of Missouri, as a fighting force under the name of the Woman's Branch of the Citizens' Dry Alliance which thoroughly co-operates with and aids the Citizens' Dry Aliance and,

Whereas the Citizens' Dry Alliance of Missouri has delegated to the Missouri Anti-Saloon League the task of organizing county and city units of the Citizens' Dry Alliance and of furnishing the literature for the campaign and of furnishing offices, postage and stationery for the said campaign, and

Whereas the name of "the Citizens' Dry Alliance" and "the Missouri Dry Federation," one of the organizations forming the said Alliance, are confusing to the public and may result in friction, now,

Therefore, be it resolved, by the Missouri Conference of the Methodist Episcopal Church, South, now convened in the City of Fulton as follows:

- 1. That the purpose and plans of the temperance forces of Missouri to fully co-operate and unite under the name of the Citizen's Dry Alliance and to effectively labor together in ridding our great state of the curse of the liquor traffic; to secure the election of men to the legislature who will vote for the ratification of the national prohibition amendment at the next session of the legislature, and to aid in the passage of the law by Congress providing for war time prohibition, be most heartily endorsed by this conference.
- 2. That the Woman's Christian Temperance Union of Missouri is worthy of our highest praise for the most excellent service rendered in our common cause against the saloon and should receive the support and aid of every member of this conference.

3. That we recognize the greatness of the task of the Missouri Anti-Saloon League in the oranization work of the Citizens' Dry Alliance and we hereby express our hearty commendation of this splendid organization for this great service, and that the pulpits of this conference continue to be open to the Missouri Anti-Saloon League for the presentation of this splendid work, that every member of this conference become actively associated with the unit of the Citizens' Dry Alliance nearest to him and labor unceasingly to carry the amendment providing for state wide prohibition on November 5, 1918, and to do everything possible to secure the enactment of the law by Congress to provide for prohibition during the war and for the period of demobilization thereafter.

We want to commend most heartily the action of Secretary of Navy, Mr. Daniels, in doing all in his power to protect the men under him from strong drink. We wish to express our appreciation of the addresses, at our temperance rally, of J. Elmer Ball of the Citizens' Dry Alliance and Mrs. Nelle Burger, president of the W. C. T. U. of this state and of the kindness of the Wisdom Sisters in furnishing such splendid music.

We also recommend for reappointment, Rev. J. J. Reed and the Hon. M. E. Lawson, as trustees to represent this conference on the state board of the Anti-Saloon League.

J. J. REED, President.

\$5,685.65

We are glad to announce that the working Cash Capital of your Board has reached the mark of \$100,000.00, the amount set some years ago as the goal to be attained. But we face at this time a tremendously increased cost of living and a growing list of our honored beneficiaries. To meet these larger demands and in keeping with the spirit of other denominations to provide adequately for their worn out ministers and the wives and children of the deceased preachers, we earnestly recommend the adoption of the following resolution:

Resolved: That we hereby record our purpose to increase the Conference Endowment Fund as soon as practicable to the amount of \$250,000.00.

We respectfully ask the re-appointment of Rev. R. H. Cooper as agent for the ensuing year.

S. P. CRESAP, Chairman.

Report No. 5

#### REPORT OF THE CONFERENCE BOARD OF FINANCE

#### Report No. 3

Whereas our worn out preachers, widows, and orphans are so poorly paid, and

Whereas our recent General Conference has had this matter under consideration, and so changed the law, so that a Board of Finance has been organized, and said Board has elected Dr. L. E. Todd, as its secretary to represent this long neglected work.

Resolved, first, that we pledge ourselves to hearty co-operation to this important work.

Resolved, second, that we increase our offering for our conference claimants one per cent, making it six instead of five per cent, so that with the one per cent ordered by the General Conference, we will collect seven per cent instead of six per cent, of the combined salaries of the pastors and presiding elders.

Resolved, third, that we first seek constantly to give publicity by every means for this Endowment Fund. Second, that we talk and make inquiry about prospects, such as wills, bequests, donations, etc., and report such to the agent of our Board. Third, that we make a most faithful effort to raise all these assessments in full. Fourth, that we assist in the raising of \$100,000 in Liberty Bonds for this cause during the coming conference year. Fifth, that we will also ask our people for a Christmas Emergency Fund for the old veterans of our church. These Christmas offerings to be directed to Dr. L. E. Todd, St. Louis. We heartily endorse the action to increase our conference endowment fund to \$250,000, and the appointment of Dr. R. H. Cooper as our conference agent, and pledge ourselves to cooperate in every laudable way for the increase of our conference endowment.

Whereas our treasurer reports a balance of \$3,000 in his hands, Resolved, that we turn back \$2,000 to the Trustees of Conference Funds to be loaned, and returned to us at our next conference with its earnings for distribution.

A. B. CULBERTSON, Chairman. JOHN H. HUBBARD, Secretary.

#### WAR WORK COMMISSION

### Dear Brethren:

Your Commission on War Work met Sunday evening after the preaching services and after an explanation of the General Conference War Work Commission by Dr. A. D. Betts, Augusta, Ga., who represented Dr. E. O. Watson, Secretary of the War Work Commission organized by electing H. D. Thompson, President and C. O. Ransford, Secretary and Treasurer and the Executive Committee by the additional members Brothers T. M. Taylor, W. L. Scarborough and Joseph M. Bone.

The members of the Commission as ordered by the General Conference are all the Presiding Elders, the Presidents and Secretaries of the Board of Missions, Church Extension, Sunday School Board, Epworth League and Education and the Conference Lay Leader and the Lay Leaders of each presiding elder's district.

The Missouri Conference rejoices that a former member of our Conference, Dr. C. C. Selecman, one of our own sons, has been chosen Field

Secretary of the War Work Commission. We pray God's blessing upon him in all his great work.

We believe we speak the sentiments of our Conference, when we say we are ready to co-operate with our General Conference War Work Commission in all work that strengthens the morale of our people, inspires patriotic devotion and cares for our boys in home cantonments or on the battle fields of Europe.

We congratulate our Conference that so many of our pastors have already presented the call for the Emergency War Work Fund and that some districts have raised one hundred per cent on the assessment. We respectfully urge all pastors who have not yet raised the fund to do so at once.

H. D. THOMPSON, President.

C. O. RANSFORD, Secretary.

### ANNUAL REPORT OF THE WOMAN'S MISSIONARY SOCIETY

The women of the Conference, though their hearts have been burdened with new anxiety for their loved ones, and their time has been largely occupied with necessary war relief work, have shown their devotion to the cause of the church by slightly increased membership in the Missionary Societies, and by larger offerings than in any former year. The Woman's Missionary Society of your Conference begs leave to present this report for the year 1917-18.

It will be observed that there has been a net loss of auxiliaries during the year, but that there has been a gain in membership. We would earnestly beg the Presiding Elders and Pastors to use their influence in organizing new societies, and in encouraging the weaker organizations. We realize that on account of war conditions the women must contribute more largely to the local work of each congregation, and we believe that the Woman's Missionary Society, which is authorized by the General Conference, is the most efficient organization that the women of any church can have through which to do their local work.

We are grateful to our Heavenly Father for the good Providence which has been over our missionaries and deaconesses, preserving them from harm, and for the blesisngs which have attended their labors.

We feel that the number of young women who are candidates for special work is very small when compared with our large membership, and that it is entirely insufficient for the needs and opportunities of the next few years. Will you not join with us in the prayer that a more vital religious life in our homes will lead other young women to consecrate their lives to the uplifting of the womanhood of the world?

The Scarritt Bible and Training School has had its faculty enlarged and strengthened. Dr. Ed F. Cook and his able faculty will bring to the institution new methods, while Miss Gibson remains to inspire the girls with the same steadfastness of purpose which has made the Scarritt women a power on every mission field.

The building of the new Wesley House in St. Joseph has been temporarily delayed by the war. The Conference invested \$1050 in War Savings Stamps to be turned over to the St. Joseph City Mission Board on the day of the dedication of the new building.

The Woman's Missionary Society desires to assist in the celebration of the Centenary of Methodist Missions. A study of the Centenary movement has been put into the year books of the auxiliaries for 1919, and we hope thereby to carry the Centenary messages of the power of intercession and the imperative need of Christian Stewardship to the women and children of the church.

In behalf of the Woman's Missionary Society, we most cordially thank the members of the Missouri Conference for your loyal interest in our work in the past, and we earnestly request that you will continue to use your influence in promoting the Missionary Society as we shall seek to help in extending the kingdom of Christ in the local church, in the home field and in foreign lands.

MRS. TURNER McBAINE, President. MRS. W. L. REED, Corresponding Sec.

# REPORT OF THE MEDICAL LABORATORY OF THE MISSOURI FOUNDATION

St. Joseph, Mo., September 4, 1918.

The Medical Laboratory of the Missouri Foundation has for another year not pressed its claims to recognition because of the plan to buy ground and erect a new Wesley House in St. Joseph. War conditions, however are now such as to make the need for a Medical Laboratory in St. Joseph an absolute necessity. In view of this fact it is the purpose of the directors to renew the effort to inaugurage this most important enterprise. years our plans have been sidetracked for the Wesley House but this is no longer wise or necessary as there need be no conflict. The only Medical Laboratory in St. Joseph is a private one owned by Dr. A. B. McGlothlan, who will enter the Military Service at an early date. This leaves St. Joseph without Medical Laboratory facilities, a situation that is impossible. Directors in view of this fact will make an earnest effort to establish an adequate Medical Laboratory and supply this great need, without which the civilian population must suffer in the very fundamental of all Medical agencies for the prevention and cure of disease. In this effort it asks your cooperation

kEV. A. C. BROWNING

# **MEMOIRS**

#### REV. A. C. BROWNING

Rev. A. C. Browning was born at 'Highland, Doniphan county, Kansas, Oct. 20, 1860. His parents, Rev. George W. Browning and Nancy Browning, were members of the Methodist Episcopal Church, South. Bro. Browning was converted at Moberly, Mo., in January, 1886, under the ministry of L. B. Madison, and united with the Moberly Methodist Church, Feb. 26, 1886. His conversion was an old-time conversion, and his growth in grace was gradual but continuous. In 1889, at the second Quarterly Conference of the Moberly Station, the Missouri Conference licensed him to preach. T. G. Whitten was preacher in charge and J. H. Pritchett presiding elder. The Queen City Circuit recommended Bro. Browning for admission on trial into the Annual Conference in June, 1890, and in the next September he was received in the Missouri Conference on trial at Fayette, Mo., Bishop Joseph S. Key presiding. In September, 1892, he was ordained deacon at Montgomery City, Mo., by Bishop Charles B. Galloway, and was ordained as an elder by Bishop E. R. Hendrix at Carollton, Mo., in September, 1894.

The following charges have been served by him: Queen City Circuit, Callao Circuit, Shelbina Circuit, Brockfield Station, Kirksville Station, Plattsburg Station and Liberty Station. In addition to these pastorates, he served as Presiding Elder the Mexico, Plattsburg, and Gallatin districts. It was during his last year on the Gallatin District that the sickness that resulted in his death on June 15, 1918, was contracted.

Bro. Browning was sick for something over a year, but during the whole time manifested a spirit of patience, and unto the end earnestly tried to get well, that he might engage again in the work that was so dear to him, the preaching of the Gospel of the Kingdom.

On June 17, 1918, Bro. Browning was buried at Oakland Cemetery, at Moberly, Mo. C. N. Broadhurst and S. E. Hoover had charge of the funeral service. Quite a number of his brethren of the Missouri Conference were present and took part in the service.

Bro. Browning leaves to mourn his loss his wife and two children, a son and a daughter; two brothers, G. H. Browning of Kansas City and W. H. Browning of Moberly, and three sisters, Mrs. J. E. Bond of Milton, Wis., Mrs. C. R. Edwards of Meadville, Mo., and Mrs. S. T. Moody of Moberly, Mo.

A. C. Browning will be missed by the Missouri Conference. The Conference loved no one of its members more than he. Because of this he was sent to the General Conference, Dallas, Texas, as one of its representatives. Our lives as members of the Conference have been enriched because of our association with him. We shall see him again.

A. C. JOHNSON.

### MRS. A. W. SMITH

The subject of this memoir, Mrs. Ella P. Smith, was the widow of the late Rev. Alexander W. Smith, who died at Norborne, Mo., in November, 1884, being at that time a member of the Missouri Conference of the Methodist Episcopal Church, South, and serving the Mandeville Circuit.

Mrs. Ella P. Smith's maiden name was Smith and she was born on July 29, 1850, at Blacksburg, Virginia. Her parents were staunch Methodists, and she was born, as it were, into the Methodist Church and continued a member of it until her death.

In 1866, when only sixteen years old, she was married at Bristol, Tennessee, to Alexander W. Smith, then a lawyer residing and practicing his profession at Russell Court House, Virginia. She and her husband continued to reside at this place until they moved to Kinmundie, Illinois, where they lived until 1872. In that year, Mr. Smith entered the ministry and joined the Illinois Conference. About 1878, he transferred to the Missouri Conference of which he was a member until his death.

Mrs. Smith lived at Norborne, Missouri, for a year after the death of her husband and then visited for a year among her relatives in Virginia. In 1886, she moved to Kansas City, Mo., and lived there until her death, which occurred on April 11, 1917. She was taken ill on a street car while on her way down town and her death followed shortly after she left the car.

The funeral services were conducted at the home of her daughter, Mrs. Selby H. Kurfiss, by her pastor, Rev. Isaac D. Borders of Melrose Church, assisted by Rev. Carl Reed Taylor, rector of St. John's Episcopal Church of Kansas City. Her remains were buried in Elmwood Cemetery in Kansas City, Missouri.

Mrs. Smith was the mother of nine children, four of whom, a daughter and three sons, together with five grand-children and one great-grand-child, survive her.

She was a loyal and consistent member of the church, whose services she delighted to attend, even when impaired health and failing strength made such attendance one of physical pain and suffering. A good woman gone to her reward.

### MRS. W. A. TARWATER

Kate M. Tarwater was born in Liberty, Mo., April 15, 1839. She was left an orphan at the age of five years and was raised and educated in the family of her uncle, Alexander Calhoun, of that city. She was married to Rev. Wm. Andrew Tarwater on the 20th day of June, 1858, at the home of her uncle, Alexander Calhoun, in Liberty, Mo. Of this union there was born, four sons, Callie Calhoun, who died in infancy, Alexander and H. Y., and W. T. Tarwater, W. E. Tarwater having died at Palmyra, Mo., on Feb. 15, 1884, at the age of fourteen years.

Husband and son are both buried at Palmyra, Mo., where the deceased wife and mother was buried with them. Directly after her marriage to her young minister husband, she left Liberty and went with him to Independence. From there she went with him to Warrensburg, Flint Hill, Warrenton, St. Charles, Clarksville, Louisiana, Chillicothe, Macon City, Palmyra, Shelbina, back to Palmyra and then to Clarence, Mo., where he died on November 23, 1885, at the age of 52 years.

She was converted in early life and united with the Presbyterian church, but later with the Methodist Church, of which she continued a faithful and devoted member until her death. She was truly a good woman, zealous for the cause of her Master and earnestly desiring to be well pleasing to him. Her Bible and religious readings were all to her and she talked freely of these, and her hope of the life to come to those who visited her, as long as consciousness remained. She ever grew anxious for the time of her departure when she should rest from the labors of this life and join the company of loved ones on the other side. The end came peacefully and she fell asleep in Jesus, Thursday morning ,Sept. 20, 1917.

Her interest centered around those dearest to her and their spiritual welfare was uppermost in her thoughts and prayers. She has left the heritage of a good name to bless the lives of those who remained, that will ever be an incentive to the largest and noblest attainments. How Blessed

is the Christian hope—it reaches within the vail and anchors up to the Eternal Throne. Death hath no terror for the children of God. It is a necessity, we must die to live with the redeemed in Glory. Our loved ones go from the company of earthly companionship to the glorified throne of heaven. Oh what must it be to be there?

#### MRS. ROBERT WHITE

Wife of Rev. Robert White, now superannuated of the Missouri Conference, living at Bartow, Fla., whither they had gone four years ago for the benefit of her health. Her decease took place Sunday evening, June 23, 1918, on their wedding anniversary, at the age of seventy-four years, one month and fourteen days. Her maiden name was Sarah Jane Foster, born in Haighington, Lincolnshire, England, May 9, 1844. She was of Methodist parentage, baptized in infancy, converted about the age of sixteen, under the ministry of her husband, and was married to Bro. White, June 23, 1870. Funeral services were conducted at the residence in Barton, Monday morning by the resident ministers, Rev. Mr. Blackburn, presiding elder of Bartow District, in charge. The body was then brought to Hunnewell, Mo., where at the Methodist church funeral services were again held for the relatives and friends, conducted by J. A. Mumpower, assisted by other ministers, after which the remains were laid to rest in the I. O. O. F. cemetery.

She leaves to mourn her passing the aged husband, three daughters and four sons, namely: Mrs. Milam Landrum, Hunnewell; Mrs. G. W. Neal, Garden City, Kans., and Miss Finney, at home; Rev. V. O. White, St. Charles; P. F. White, Monroe City; James White, Washington, D. C.; and George White, St. Louis, all of whom were at the funeral except Mrs. Neal and James White who were unable to come. She also leaves seven grand-children and hosts of friends.

Sister White was a true helpmeet to her husband. In all the years of his ministry she was a safe counsellor, wise in her judgments, tender and sympathetic with the work of the ministry, she was loved by all who came to know her, ever ready to help in all good ways those who were in need. She was a great worker in all church and Sunday school enterprises, and in this way did much to assist Bro. White, making his labors a great success for nearly 50 years. Yet it was in the home that she was seen at her best. Here she was queen among and with her children, guiding and helping them with tenderness and love, directing in all that was best for a noble and good life. It would be hard to say too much in praise of this

good woman. Indeed, she approached the point of perfection as a wife, a mother, and a faithful Christian. She had finished the work the Master assigned her and rests from all her toils, entering into her reward on high, there to await the homecoming of her loved ones. "Blessed are those who die in the Lord; yea, saith the Spirit, they rest from their labors and their works do follow them." Our tender sympathy is extended the bereaved husband and children.

JOHN A. MUMPOWER.

#### MRS. J. J. POAGE

Mrs. Elmyra Poage was born in Shelbyville, Mo., July 12, 1849. She passed to her reward in Nevada, Mo., at the home of her son, Homer, July 26, 1918, aged 69 years and 14 days.

She was the daughter of Mr. James and Mrs. Lucinda Lyell Marmaduke. She was married to Rev. J. J. Poage September 4, 1871. Her husband lived about ten years after their marriage. To this union three children were born: Homer M. Poage and Mrs. Ethel Cousley, Nevada, Mo., and John Marmaduke Poage, Lexington, Mo. All of whom survive their mother.

She was left a widow with three small children and no doubt had many a hard struggle (such as is incident to a widow's life) to get along and rear her children. Their usefulness today in the church is a tribute to her memory.

We regret that we have not the facts relative to her Christian life and activities. We doubt not but that she was a faithful Christian woman and that after a well spent life has entered into rest.

Servant of God, well done Rest from thy loved employ; The battle fought, the victory won, Enter thy Master's joy.

JOHN H. HUBBARD.
